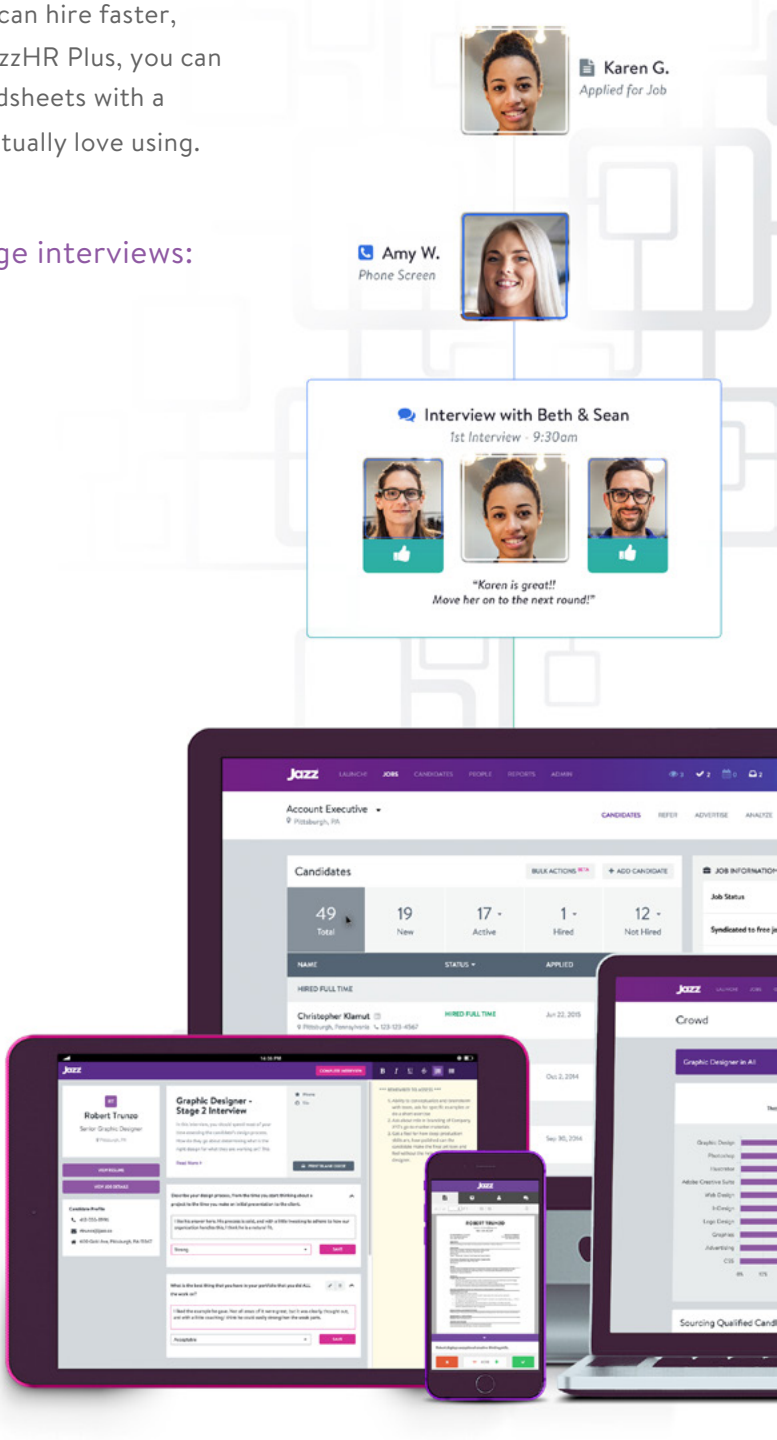
Automate redundant tasks to streamline and organize your recruitment process

JazzHR Plus gives you the best mix of recruiting tools so can hire faster, more effectively, and save money in the process. With JazzHR Plus, you can replace time-consuming processes using email and spreadsheets with a powerful applicant tracking system that your team will actually love using.



The all-in-one tool to track applicants and manage interviews:

Post jobs once, publish everywhere

Syndicate to free job boards, paid job boards, and popular social media channels.

Discuss candidates with your team

Stay informed with a real-time stream of the latest activities related to the candidate.

Coordinate guided interviews

Empower interviewers to ask insightful questions to help inform hiring decisions.

likeablemedic

" JazzHR gave us a solution to stop hiring with email, taught us about process and what we should be doing, freeing up the time we were wasting. "

Brian Murray Director of Talent
